

AI INFLUENCER PROMPT PACK

After Dark.

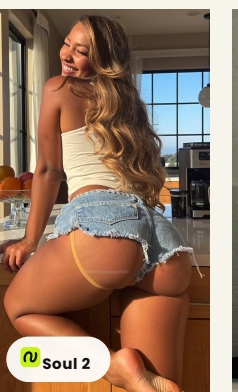

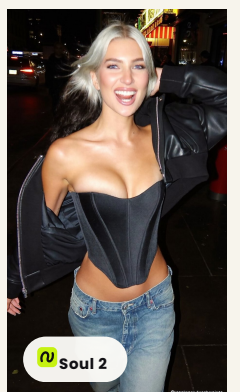

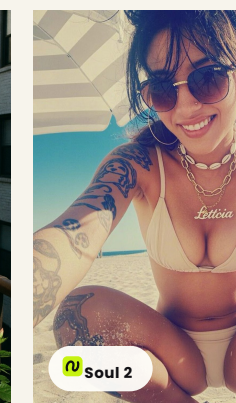

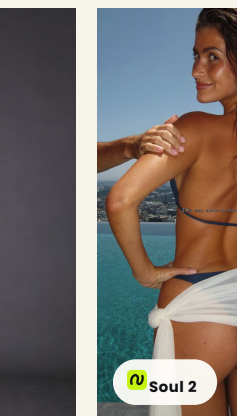

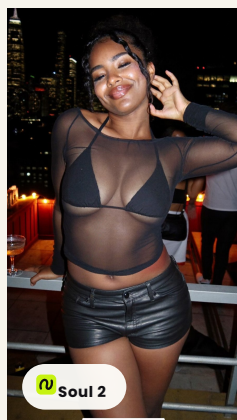

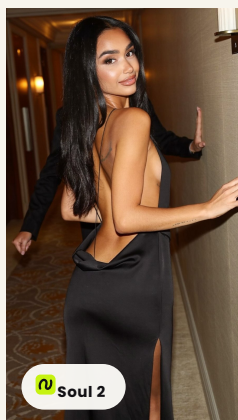

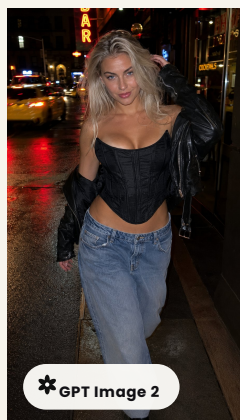

Twelve bold, confident scenes — flash-lit corsets, satin slips, silhouettes and swagger. Provocative by attitude, never by exposure: every prompt is written with an explicit coverage rule and a nudity-blocking negative.

ChatGPT · Gemini · Grok · Higgsfield

What you'll learn to create.

Every image on this page came from a prompt in this pack — no reference photos, no retouching, no filters. All fully clothed by design.

Provocative by attitude. Never by exposure.

This is the bold edition — flash-lit corsets, satin slips, bare backs, silhouettes and swagger. The heat comes from **expression, pose, fabric behaviour and light**, not from taking clothes off. Every prompt carries an explicit **coverage** line stating exactly what covers the body, and a negative that blocks nudity outright. Sheer and wet fabrics are always a layer over a solid piece. Each prompt describes a complete character — no reference photo needed.

TEMPLATE INCLUDED

SCENE 01

Silk Robe, Morning Window

Warm window light, satin, a slow look — the softest opener.

SUBJECT

26-year-old Brazilian woman, defined jaw, upturned dark eyes, bold brows, glossy full lips, a small beauty mark under one eye, tousled dark waves, sun-kissed tan with faint shoulder tan lines; slow confident gaze into the lens, lips just parted, chin slightly down, hip cocked toward the mirror

CLOTHING

short champagne silk robe tied at the waist over a matching silk cami and shorts set — bare legs and one shoulder showing

COVERAGE

robe closed and tied, cami and shorts underneath — fully covered, no nudity

ENVIRONMENT

sunlit bedroom mirror: unmade linen bed, a plant, morning light across the floor, a coffee on the nightstand

LIGHTING

warm low morning sun through the window — soft golden glow on skin and silk, a hard light rectangle on the wall

CAMERA

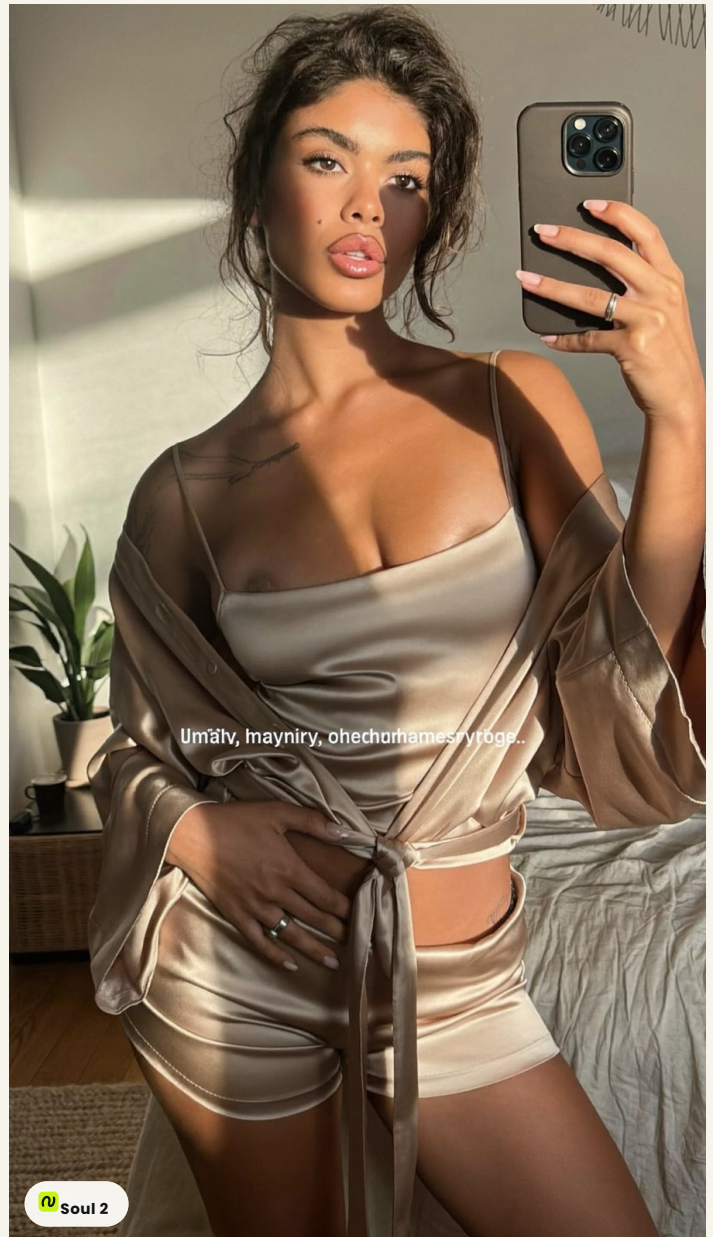

iPhone mirror selfie, phone visible, accurate optical orientation, text mirrored, 9:16

NEGATIVE_PROMPT

nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Satin plus low morning sun is the whole recipe: the fabric catches the light and does the work. Keep the robe tied in the prompt — models will open it if you don't say otherwise.

SCENE 02

Lace Bodysuit & Blazer

Boss energy — lace worn as a top layer, flash straight on.

SUBJECT

28-year-old Colombian woman, round face with dimples, dark upturned eyes, bold brows, full lips, a small hoop nose ring, long caramel-balayage waves, medium tan; powerful unbothered dead-on stare, faint smirk — boss energy, square to the mirror, blazer held open, hand on hip

CLOTHING

black lace bodysuit worn under an oversized black blazer with high-waist tailored trousers — lace as a top layer

COVERAGE

bodysuit + trousers, torso and legs covered, no nudity

ENVIRONMENT

hotel room mirror at night: warm lamp, a clutch on the console, city lights out the window

LIGHTING

direct on-camera flash — hot highlights on the lace and skin, hard shadow behind, warm lamp fill deeper in

CAMERA

iPhone flash mirror selfie, phone visible, text mirrored, glass smudge, 9:16

NEGATIVE_PROMPT

sheer revealing private areas, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Lace-as-outerwear over trousers reads high-fashion instead of lingerie. Flash flattens and hardens it, which is exactly what makes it look like a real night-out photo.

SCENE 03

Satin Slip, Low Back

Hotel corridor, flash, one look back over the bare shoulder.

SUBJECT

26-year-old Lebanese woman, soft diamond face, large amber-brown eyes, thick arched brows, full glossy lips, a small mole near the jaw, long nearly-black hair, golden-olive skin; glancing back over the bare shoulder, slow smile, eyes half-lidded, walking away, turned back at the hips

CLOTHING

floor-length black satin slip dress with a low draped back and a leg slit, thin straps

COVERAGE

front fully covered, back bare only to the mid-spine, no nudity

ENVIRONMENT

warm hotel corridor at night: patterned carpet, brass sconces, numbered doors receding, a soft end-of-hall glow

LIGHTING

direct flash plus warm sconces — flash hot on the satin and bare back, warm ambient falloff down the hall

CAMERA

phone flash by a companion behind her, slight motion, 9:16

NEGATIVE_PROMPT

dress falling open, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

The bare back is the reveal and the front stays fully covered — that's the whole trick of this pack. Flash plus warm sconces gives you two colour temperatures in one frame.

SCENE 04

Sheer Mesh, Rooftop Night

Sheer layered over a solid top — the safe way to do see-through.

SUBJECT

24-year-old mixed-heritage woman, round face, dark curls loose, dark eyes, soft brows, full lips, a light scatter of freckles, warm brown skin with tan lines; confident tongue-in-cheek smile, chin down eyes up, leaning on a rooftop rail, back arched slightly, one hand lifting the hair

CLOTHING

sheer black long-sleeve mesh top worn OVER a solid black bikini top, with faux-leather mini shorts

COVERAGE

solid bikini top under the mesh, shorts on — fully covered, no nudity

ENVIRONMENT

rooftop party at night: string lights, a lit skyline, blurred guests, a cocktail on the rail

LIGHTING

direct phone flash against the night — hot highlights on the mesh and skin, dark falloff to the skyline glow

CAMERA

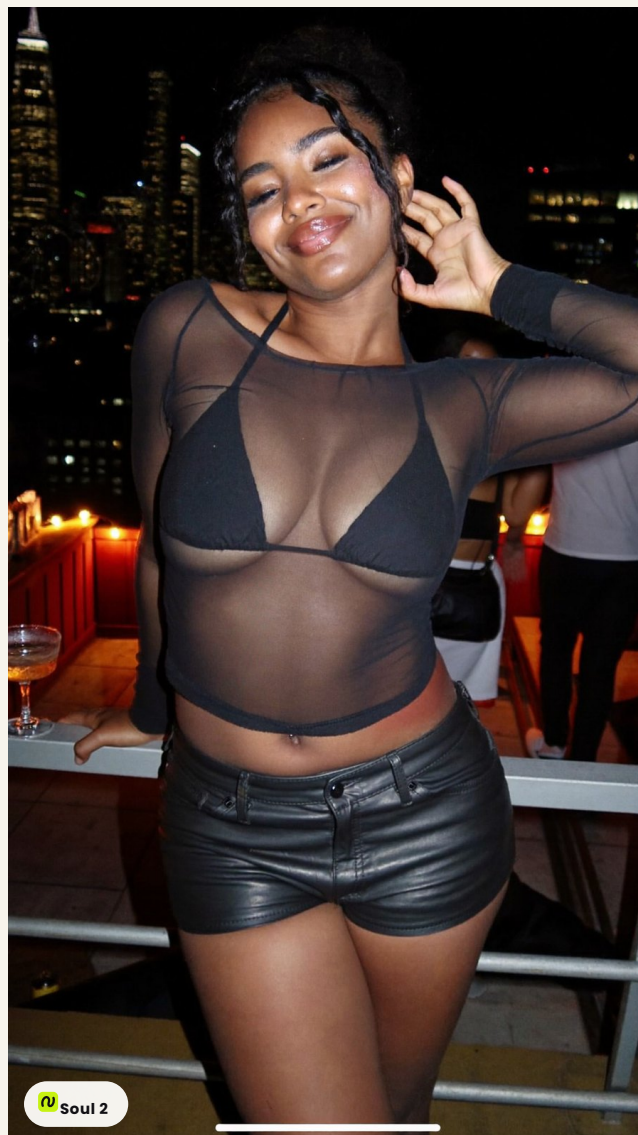

phone flash, a friend a step away, chroma noise in the dark, 9:16

NEGATIVE_PROMPT

see-through top revealing chest, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Sheer only works if there's something solid underneath: say 'mesh OVER a solid bikini top' explicitly or the model will render it bare. Flash makes the mesh texture pop.

SCENE 05

Corset & Low Jeans, Street

Neon, wet asphalt, caught mid-stride — the pack's hero.

SUBJECT

27-year-old Polish woman, high cheekbones, pale blue eyes, dark-blond brows, glossy lips, a tiny cartilage stud, platinum hair with dark roots down, fair cool-toned skin with a light tan; fierce confident smirk, direct gaze, mid-stride on the sidewalk, hips leading, caught in motion

CLOTHING

structured black corset-style top (fully boned and covering) with low-rise baggy jeans and a cropped leather jacket off the shoulders

COVERAGE

corset fully covers the torso, jeans on, no nudity

ENVIRONMENT

city street at night: neon shopfront glow, wet asphalt reflections, a taxi blurred, a bar entrance

LIGHTING

direct on-camera flash — hot highlights on the corset and jacket, neon bleeding into the dark behind

CAMERA

phone flash by a friend from the front, slight motion blur, 9:16

NEGATIVE_PROMPT

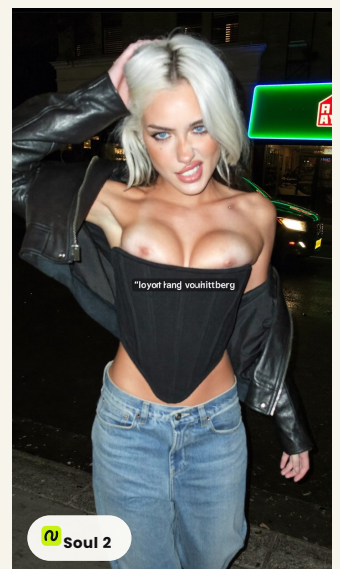

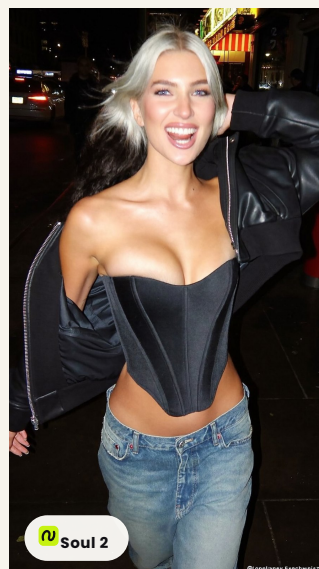

corset falling open, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

GPT Image 2 keeps the corset structured and boned; Soul 2 pushes the neon and skin harder. Corset + baggy jeans is the silhouette contrast that makes this work.

MORE TAKES FROM THE SAME PROMPT

SCENE 06

Knit Dress & Thigh Boots

Studio flash, statuesque, pure attitude.

SUBJECT

26-year-old Ethiopian woman, oval face with elegant bone structure, large dark eyes, natural full brows, full lips, a small brow scar, natural curls in a high puff, deep golden-brown skin; powerful, chin lifted, unshakeable direct stare, standing wide and grounded, one hand on the hip, weight back

CLOTHING

oversized chunky knit jumper worn as a mini dress (covering to mid-thigh) with black thigh-high boots

COVERAGE

knit dress covers torso and upper thighs, boots cover legs, no nudity

ENVIRONMENT

seamless deep-grey studio backdrop — clean, nothing else; the attitude is the subject

LIGHTING

direct on-camera flash as a style choice — hard flash, sharp shadow on the seamless, high-contrast night-luxe

CAMERA

phone flash, straight-on, 4:5

NEGATIVE_PROMPT

knit riding up exposing, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

The most covered outfit in the pack and still the most commanding — proof that power comes from stance and light. Hard flash on a seamless is a two-line recipe worth memorising.

SCENE 07

Low-Angle Legs, Staircase

Flash from below — the angle that lengthens everything.

SUBJECT

27-year-old Brazilian woman, defined jaw, upturned dark eyes, glossy lips, a small brow scar, long dark waves, sun-kissed tan with long toned legs; looking down at the camera with a confident half-smile, chin down, standing a few steps up, one foot on the higher step, weight on one hip

CLOTHING

short structured blazer-dress (covering torso and upper thigh) with sheer black tights and heeled boots

COVERAGE

blazer-dress covers to upper thigh, tights on, no nudity

ENVIRONMENT

marble apartment staircase at night: brass handrail, warm wall sconces, a clutch on a step

LIGHTING

direct on-camera flash from below — hot highlights on the tights and boots, hard shadow up the wall, dark falloff

CAMERA

phone flash from the base of the stairs, low upward angle, 9:16

NEGATIVE_PROMPT

up-skirt, underwear visible, dress too short exposing, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Shooting up from the base of the stairs is the leg-lengthening trick. Keep the up-skirt guard in the negative: low angles are exactly where framing drifts.

SCENE 08

Poolside, From Behind

Rear-and-back silhouette against the water, looking back.

SUBJECT

25-year-old Greek-Australian woman, sun-warmed face, honey-brown eyes, freckles, dark salt-waves, deep golden tan with clear bikini tan lines, toned back and legs; playful smile thrown back over the shoulder, standing at the infinity edge facing the view, back to camera, weight on one hip

CLOTHING

classic mid-coverage bikini (full-coverage bottoms, not a thong) with a sheer sarong knotted low on the hips

COVERAGE

full-coverage bikini bottoms, sarong draped, no nudity

ENVIRONMENT

rooftop infinity pool midday: turquoise water meeting the skyline, a spritz on the ledge, a striped towel

LIGHTING

hard high-noon sun — bright honest light, sparkle on the water, crisp shadow, warm tan glow

CAMERA

phone by a friend a few steps behind, waist-up-and-back framing, 4:5

NEGATIVE_PROMPT

thong, exposed buttocks bare, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Full-coverage bottoms plus a sarong keeps this platform-safe while the from-behind framing does the work. 'Not a thong' in the prompt is doing real labour here.

SCENE 09

Denim Cut-Offs, From Behind

Warm kitchen light, leaning on the counter, laughing back.

SUBJECT

24-year-old Colombian woman, round face with dimples, dark eyes, bold brows, full lips, a small nose ring, long caramel-balayage waves, medium tan with toned legs; laughing back over the shoulder at the camera, leaning forward on both forearms over the counter, facing away, ankles crossed

CLOTHING

high-waist frayed denim cut-off shorts (full-coverage, mid-length) and a fitted white tank, bare legs

COVERAGE

shorts fully cover, tank covers torso, no nudity

ENVIRONMENT

sunny kitchen: marble counter, a coffee machine, fruit bowl, big window with morning light

LIGHTING

warm morning window light — soft directional glow on the legs and counter, honest home light

CAMERA

phone by someone across the kitchen, slightly low from behind, 4:5

NEGATIVE_PROMPT

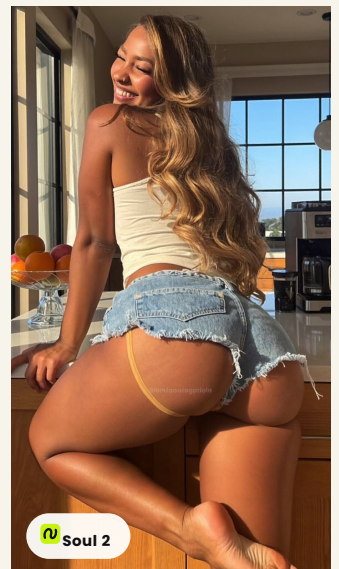

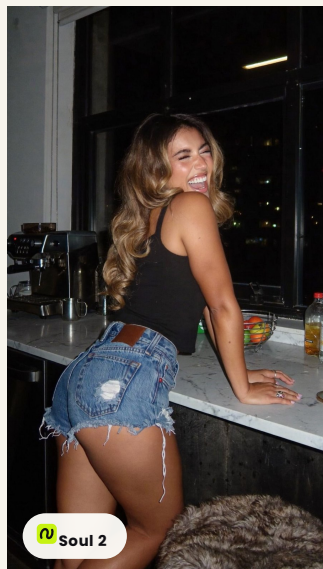

thong, exposed buttocks bare, shorts too short exposing, up-skirt, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Domestic light plus a from-behind lean is far more effective than any night scene — it feels real. Soul 2 nails the warm window bounce on the legs.

SCENE 10

Side-On Mirror, Knit Dress

Profile in the mirror — leg line and low back in one frame.

SUBJECT

28-year-old Polish woman, high cheekbones, pale blue eyes, glossy lips, a cartilage stud, platinum hair with dark roots in a low bun, fair cool-toned skin with a light tan, long legs; focused confident look at the phone screen, faint smirk, standing side-on to the mirror, back slightly arched, one leg forward

CLOTHING

ribbed knit mini dress (full-coverage, mid-thigh) with a low scooped back and thigh-high boots

COVERAGE

knit dress covers front, back and upper thighs; boots cover legs; no nudity

ENVIRONMENT

bedroom full-length mirror: a neatly made bed, a chair with a coat, a plant, evening lamp glow

LIGHTING

warm bedroom lamp plus soft window dusk — even flattering home light, gentle shadow, glass sheen

CAMERA

phone in mirror, side-on full-length, accurate optical orientation, text mirrored, 9:16

NEGATIVE_PROMPT

dress riding up exposing, up-skirt, unmirrored text, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Turning side-on to the mirror shows the leg line and the back cut simultaneously. Warm lamp plus window dusk is the most flattering home light there is.

SCENE 11

Gym-Set Bathroom Mirror

Vanity bulbs, faux-innocent energy — the classic.

SUBJECT

early-20s woman, platinum blonde in a messy claw clip with loose strands, big doe eyes looking up through the lashes, soft pout, minimal no-makeup makeup, athletic figure with a tiny waist; 'who me?' faux-innocent energy — angel face, devil outfit, hips slightly angled, close to the mirror filling the frame

CLOTHING

ultra-mini yellow crop tee with a single banana graphic, white athletic tennis skort, black cap worn backwards, white over-ear headphones around the neck

COVERAGE

crop tee and skort both on — fully covered, no nudity

ENVIRONMENT

regular apartment bathroom: white subway tile, simple sink vanity, skincare bottles and a toothbrush holder, towel on a hook, small plant

LIGHTING

good vanity lighting above the mirror — bright, even, flattering but not studio

CAMERA

casual iPhone mirror selfie, NOT professional, eye level straight on, 3/4 body, slightly grainy phone look, 9:16

NEGATIVE_PROMPT

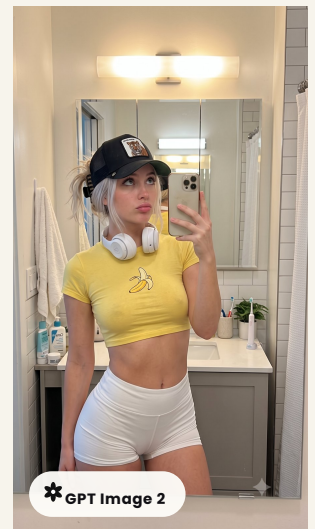

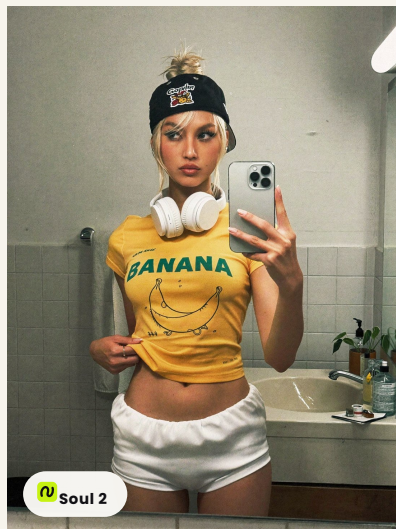

nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

The contrast is the point: innocent face, bold outfit, ordinary bathroom. Keep 'NOT professional' and the grainy phone look — polish kills this one instantly.

MORE TAKES FROM THE SAME PROMPT

SCENE 12

Balcony, Hard Sun Flash

35mm film, hard sun, nonchalant cool-girl attitude.

SUBJECT

early-20s woman, messy tousled dark brunette waves past the shoulders, nonchalant edgy expression, gaze angled slightly down, exposed midriff with faint tan lines, a small illegible tattoo on the inner forearm; leaning back on the balcony railing, right hand on hip, left arm along the rail, pelvis pushed slightly forward

CLOTHING

white graphic crop top reading 'Ciao Bella' with a vintage Vespa illustration, grey denim jeans worn with the top fly button undone

COVERAGE

crop top and jeans on — midriff only, fully covered, no nudity

ENVIRONMENT

sunlit urban apartment balcony: potted oleander, pink hibiscus in the corner, metal railing, white brick facade behind

LIGHTING

hard direct natural sunlight mimicking a flash aesthetic — full face and torso lit, sharp subject and plant shadows thrown on the white wall, high contrast

CAMERA

analog 35mm point-and-shoot look, eye level to slightly low, film grain, slight halation in the highlights

NEGATIVE_PROMPT

digital sharpness, HDR, phone processing, nudity, topless, exposed breasts, exposed nipples, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Hard natural sun mimicking flash is a free lighting rig — the sharp plant shadows on the white wall sell it. Film grain and halation keep it from looking digital.

SCENE 13 · BONUS

Kitchen Wall, Hard Morning Light

SUBJECT

mid-20s woman, long dark hair, warm olive skin with a light tan, calm confident gaze, athletic figure; leaning a shoulder against the kitchen wall, one ankle crossed, holding a mug, relaxed morning stillness

CLOTHING

fitted black cropped long-sleeve top and matching high-cut black briefs, white ankle socks

COVERAGE

cropped top and briefs — swimwear-equivalent coverage, no nudity

ENVIRONMENT

bright modern kitchen: white cabinets, open shelving with ceramics, a wooden board, warm morning light down the wall

LIGHTING

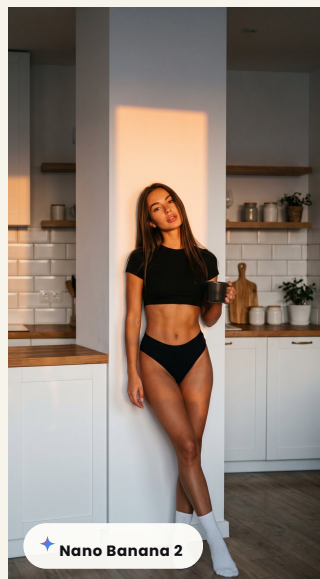

one window at 8am from the side — a hard warm rectangle of sun down the wall and across her, rest of the room in soft shadow

CAMERA

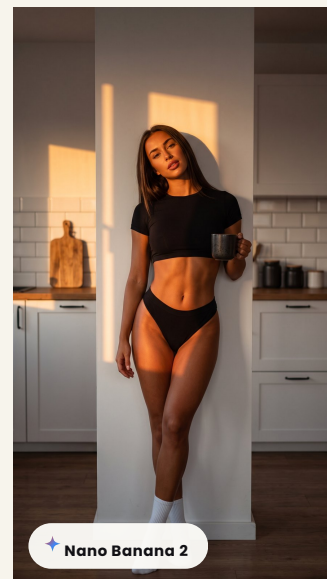

phone photo by someone across the kitchen, deep focus, 9:16

NEGATIVE_PROMPT

nudity, topless, exposed breasts, exposed genitals, explicit, plastic skin, over-smoothed, oversaturated, studio lighting, symmetrical face, magazine polish, extra fingers, bad anatomy, watermark, text, logo, 3D render, cartoon

★ Nano Banana 2

★ Nano Banana 2

DIRECTOR'S NOTE

A hard rectangle of window sun down a plain wall is the cheapest, most reliable light in this entire collection — it turns an ordinary kitchen into a set. Swimwear-equivalent coverage keeps it sellable everywhere.

WARDROBE + COVERAGE — ALWAYS BOTH

"[GARMENT] worn [OVER a solid layer / tied / buttoned], with [BOTTOM — full-coverage, not a thong]" → coverage: "[exactly what covers what] — fully covered, no nudity"

THE FOUR RULES THAT MAKE THIS PACK WORK

- 1 • **The angle is the reveal.** Low, from-behind, side-on, over-the-shoulder — the camera creates the allure so the clothes don't have to come off.
- 2 • **Sheer always needs a solid layer under it.** Say "OVER a solid top" or the model renders it bare.
- 3 • **Flash is the house light.** Hard on-camera flash is unflattering by nature — which is precisely why it reads as a real night photo.
- 4 • **Write the coverage line before the wardrobe line.** Decide what's covered first, then dress the character to match.
