

AI INFLUENCER PROMPT PACK

The Brunettes.

Eight production-tested prompts for stunning, natural brunette AI influencers — flash mirrors, private jets, marina sunsets. Real, untouched outputs from four image models next to every prompt, so you know exactly what you're buying before you spend a single credit.

ChatGPT · Gemini · Grok · Higgsfield

Beautiful brunettes.

Four models. Zero guesswork.

These prompts are built to create **gorgeous, natural brunette AI influencers** — sun-kissed tans, tan lines from a real summer, glossy lips, night-luxe confidence. Each model renders its own brunette: same prompt, different woman, all of them stunning. Copy a prompt exactly as written into your model of choice — nothing needs to be added. Every output shown is untouched, with a badge telling you which model made it. At the end of the pack you'll find a fill-in template to swap the brunette for any character you want.

PROMPT 01

Hotel Elevator Mirror

The flash-mirror benchmark — the shot that started this pack.

PERSON

27-year-old Brazilian woman, defined square jaw softened by full cheeks, upturned dark eyes with winged liner, bold straight brows, slightly wide nose bridge, glossy full lips, small vertical scar through the tail of the left eyebrow, dark-brown hair in a slicked-back low bun with edges laid, sun-kissed tan skin, curvy athletic build

CAPTURE

iPhone mirror selfie inside a hotel elevator, flash ON, caught the mirror wall on the way down to dinner

STYLING

gold statement earrings, confident straight face looking at the phone screen

WARDROBE

black satin slip dress with a slightly creased hem, worn without a bra, heeled mules, tiny handbag on a chain wedged under one arm

POSE

standing square to the mirror, phone covering lower face, free hand holding the elevator rail

SCENE

elevator interior: brushed gold walls, floor-number panel glowing, handrail, corner security camera, carpet with a geometric pattern

LIGHT

direct on-camera flash — hot highlight on the forehead and collarbones, hard shadow outline on the elevator wall, background dimmed

IMPERFECTIONS

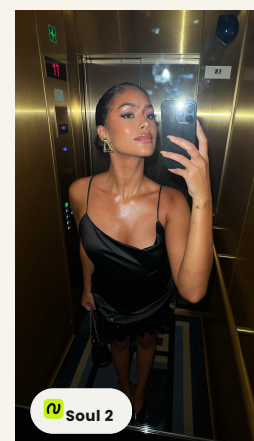

flash glare blooming on the mirror, subtle smudges on the mirror surface, one earring slightly turned

FORMAT

9:16 vertical, high-contrast flash grade with black falloff

NEGATIVE

soft window light, ambient fill, mirror anomalies, unmirrored text, messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

The original. Flash + gold walls + satin is a cheat code: every model nails the mood. Grok gets the harshest, most phone-real flash; GPT the cleanest mirror geometry.

PROMPT 02

Private Jet Steps

Boarding-moment energy — shot upward from the tarmac.

PERSON

26-year-old Brazilian woman, defined jaw softened by full cheeks, upturned dark-brown eyes, bold straight brows, slightly wide nose bridge, glossy full lips, small beauty mark under the right eye, sun-kissed golden-tan skin with faint bikini-strap tan lines on the shoulders, curvy athletic figure; hair in a glossy high ponytail whipping slightly in the tarmac wind

CAPTURE

friend's iPhone photo from the bottom of the jet stairs, shot upward, boarding-moment energy

STYLING

oversized black sunglasses, gold hoops, phone and passport in one hand

WARDROBE

white tailored short suit — fitted blazer with nothing underneath and matching shorts, gold heels, small crocodile-effect handbag

POSE

halfway up the jet stairs, turned back over her shoulder toward the camera, one hand on the rail, mid-laugh

SCENE

private airfield at late afternoon: cream-and-navy jet with open door, tarmac stretching behind, one uniformed pilot blurred at the foot of the stairs

LIGHT

strong late-afternoon sun from the side — hard clean shadows on the fuselage, warm glow on her skin, slight flare off the aircraft paint

IMPERFECTIONS

wind lifting the ponytail across her sunglasses, slightly tilted framing shot fast from below, mild phone HDR halo along the fuselage edge

FORMAT

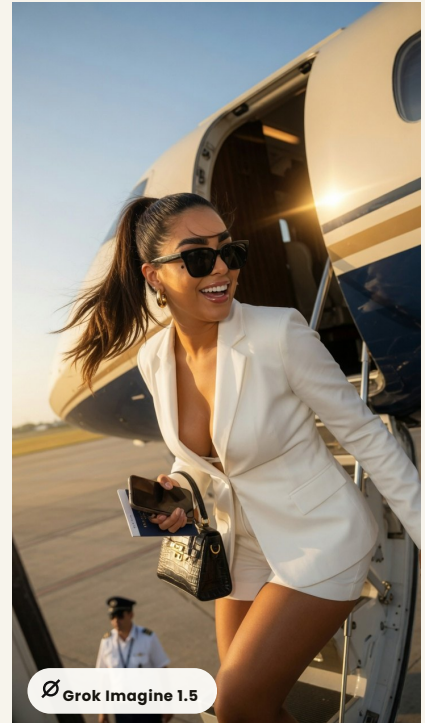

9:16 vertical, bright warm phone HDR

NEGATIVE

messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

The upward angle sells the status. If the jet warps, add 'accurate private jet proportions'. Nano Banana 2 keeps faces most consistent across a series.

PROMPT 03

VIP Booth, Bottle-Service Flash

Sparkler behind, flash in front — pure club energy.

PERSON

26-year-old Brazilian woman, defined jaw softened by full cheeks, upturned dark-brown eyes, bold straight brows, slightly wide nose bridge, glossy full lips, small beauty mark under the right eye, sun-kissed golden-tan skin with faint bikini-strap tan lines on the shoulders, curvy athletic figure; hair in a sleek middle-part blowout falling over one shoulder

CAPTURE

iPhone flash photo taken by a friend standing on the booth seat above her, club energy, flash ON

STYLING

smoky eye, glossy lips, diamond-look tennis necklace catching the flash

WARDROBE

molten silver cowl-neck mini dress, thin straps, worn without a bra, strappy silver heels

POSE

seated on the velvet booth back with feet on the seat, leaning forward toward the camera, one hand raising a champagne coupe, laughing hard

SCENE

upscale nightclub VIP: navy velvet booths, a lit sparkler in an ice bucket fizzing behind her, blurred crowd and laser haze in the black background

LIGHT

direct on-camera flash — hot highlights on the dress and collarbones, sparkler glow behind, everything beyond falling to black

IMPERFECTIONS

faint red-eye, motion blur on the raised glass, chroma noise in the dark crowd, a stray confetti piece mid-air

FORMAT

9:16 vertical, harsh flash grade with black falloff

NEGATIVE

soft ambient fill, messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Two light sources fighting (flash + sparkler) is what makes this feel real. If the sparkler disappears, move it earlier in the scene description.

PROMPT 04

Yacht Deck, Marina Sunset

A silhouette in golden hour — the most aspirational frame in the pack.

PERSON

26-year-old Brazilian woman, defined jaw softened by full cheeks, upturned dark-brown eyes, bold straight brows, slightly wide nose bridge, glossy full lips, small beauty mark under the right eye, sun-kissed golden-tan skin with faint bikini-strap tan lines on the shoulders, curvy athletic figure; hair in loose salt-air waves moving with the breeze

CAPTURE

friend's iPhone photo from the yacht's stern bench, golden hour in the marina

STYLING

barefoot with a thin gold anklet, sunglasses pushed into her hair, champagne flute held loosely

WARDROBE

white ribbed knit mini dress with a low square neckline, no bra, fabric outlining her figure in the warm light

POSE

standing at the bow rail with her back three-quarters to the camera, looking back over her shoulder, dress and hair caught by the breeze

SCENE

clean teak yacht deck in a luxury marina: chrome rail glinting, rows of white boats and masts out of focus behind, glassy golden water

LIGHT

golden hour sun low over the marina — full warm rim light on her silhouette, glow bouncing off the white deck, flare across one corner

IMPERFECTIONS

slightly tilted horizon, hair across her cheek, a lens flare ghost, mild phone HDR on the bright sky

FORMAT

4:5 vertical, warm backlit golden grade

NEGATIVE

ropes and gear mess, messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Soul 2 owns this golden hour — the rim light on the knit dress is exactly the prompt. Keep 'back three-quarters to the camera'; the look-back IS the shot.

Department-Store Escalator

Chandelier gold + a look back over the bare shoulder.

PERSON

26-year-old Brazilian woman, defined jaw softened by full cheeks, upturned dark-brown eyes, bold straight brows, slightly wide nose bridge, glossy full lips, small beauty mark under the right eye, sun-kissed golden-tan skin with faint bikini-strap tan lines on the shoulders, curvy athletic figure; hair in a voluminous dark blowout with caramel-lit ends

CAPTURE

friend's iPhone photo taken from two steps below her on the escalator, shopping-day energy

STYLING

soft glam, cat-eye sunglasses ON indoors, lips glossed, three glossy shopping bags hanging from one hand

WARDROBE

camel wide-leg trousers and a fitted white halter top with a bare back to the camera side, gold belt, pointed flats

POSE

standing one step up, turned back over her bare shoulder toward the camera below, bags lifted slightly, playful smirk over the sunglasses rim

SCENE

grand luxury department store: brass-and-glass escalator rising through a marble atrium, warm chandelier glow above, blurred shoppers below

LIGHT

warm golden atrium lighting from the chandeliers — even, rich, real retail light, soft highlights on the brass and her shoulder

IMPERFECTIONS

escalator motion softness at the frame edges, reflection streaks in the brass panel, one bag mid-swing blur

FORMAT

9:16 vertical, warm interior phone grade

NEGATIVE

crowds crushing, readable brand logos, messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Brass, marble and warm chandelier light do the luxury work — no logos needed (they're banned in the negative; fake logos are an instant tell).

PROMPT 06

Rooftop Infinity Pool at Night

Turquoise water light + city glow — no flash needed.

PERSON

26-year-old Brazilian woman, defined jaw softened by full cheeks, upturned dark-brown eyes, bold straight brows, slightly wide nose bridge, glossy full lips, small beauty mark under the right eye, sun-kissed golden-tan skin with faint bikini-strap tan lines on the shoulders, curvy athletic figure; hair slicked back wet from the water

CAPTURE

friend's iPhone photo from the pool deck at night, no flash, city glow doing the work

STYLING

wet-look skin with water drops on the shoulders, waterproof mascara only, thin gold necklace

WARDROBE

black high-neck cutout one-piece swimsuit, elegant and sculptural

POSE

in the water at the infinity edge, arms resting on the glass lip, city behind her, chin on one wrist, calm direct gaze

SCENE

rooftop hotel pool at night: glowing turquoise water, glass infinity edge, skyline of lit towers behind, two loungers with white towels neatly rolled

LIGHT

underwater pool lights from below plus warm city glow behind — real mixed night light, turquoise bounce under her chin, no flash

IMPERFECTIONS

water drops on the lens, low-light grain in the skyline, gentle ripple distortion of her arms at the waterline

FORMAT

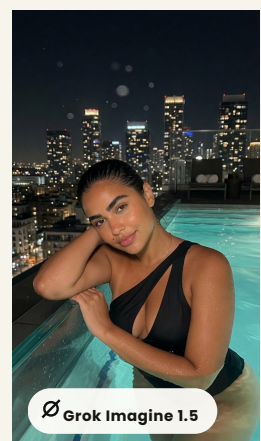

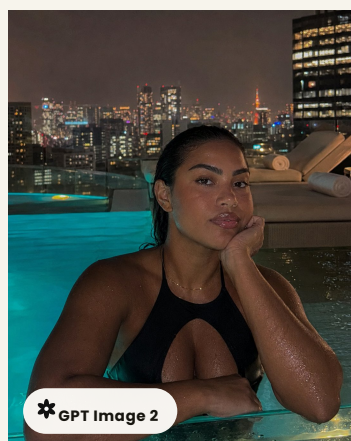

4:5 vertical, night phone grade with turquoise-and-amber mix

NEGATIVE

harsh flash, crowded pool, messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Mixed night light (pool glow from below + warm city behind) is advanced realism. If her face goes too blue, add 'warm city glow on one side of the face'.

PROMPT 07

Rooftop Golden Hour

Backlit skyline, silk halter, wind in the hair.

PERSON

25-year-old Lebanese woman, soft diamond face shape, large almond amber-brown eyes, thick naturally arched dark brows, straight nose with a subtle bump she keeps, full lips in a neutral gloss, golden-olive skin glowing in the low sun, long thick nearly-black hair moving in the wind, statuesque with soft curves

CAPTURE

friend's iPhone photo from two seats away on a rooftop bar, golden hour, she wanted the skyline in the shot

STYLING

sun-flushed cheeks, looking off toward the view not the camera, soft smirk, sunglasses pushed up into her hair

WARDROBE

white silk halter top with a low back and no bra, high-waisted tailored trousers, flat gold sandals, small gold anklet

POSE

side-on in a wicker chair, legs crossed, spritz glass resting on the armrest, back elegantly arched as she turns toward the view

SCENE

clean rooftop bar: city skyline behind, string lights not yet on, a marble side table with two drinks and her phone face-down, a few well-dressed guests blurred in the background

LIGHT

golden hour sun low and behind her — rim light on the hair and shoulder line, face softly underexposed, lens flare eating one corner of the frame

IMPERFECTIONS

flare haze, wind-blown hair across one eye, slightly crooked horizon from a casual hand

FORMAT

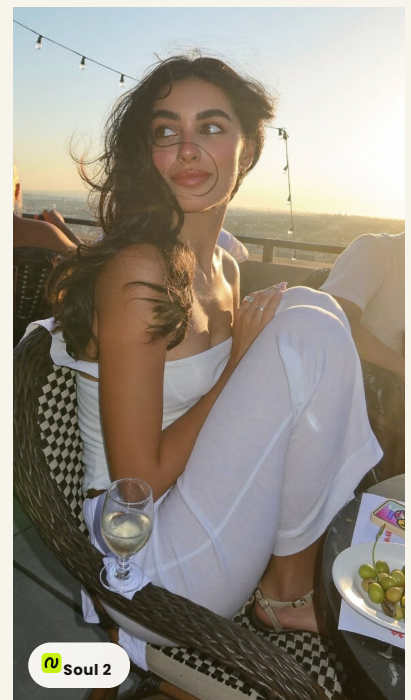

4:5 vertical, warm backlit phone grade with blown sky

NEGATIVE

messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Golden hour from behind is the most forgiving light in the pack — the rim on the hair and shoulder line does all the glamour work.

PROMPT 08

Outfit-Check Mirror

Daylight mirror realism in a satin slip.

PERSON

29-year-old Italian woman, heart-shaped face, hooded hazel eyes, full dark brows with a natural arch, elegant straight nose, wide mouth with defined cupid's bow, single beauty mark above the right corner of her lip, thick espresso-brown hair blow-dried straight past the shoulders, olive skin, tall with an hourglass figure

CAPTURE

casual iPhone mirror selfie in the bedroom, NOT professional — checking the fit before leaving

STYLING

glossy neutral lips, gold layered necklaces, focused on the phone screen not the reflection

WARDROBE

champagne satin slip mini dress worn without a bra, delicate straps, the satin skimming her figure, strappy heels, small designer bag on the forearm

POSE

one knee slightly bent, hip pushed to the side, phone held at chest height, other hand smoothing the hem of the dress

SCENE

clean bright bedroom: full-length mirror with a thin gold frame leaning on the wall, neatly made bed with white linen, a vase of eucalyptus on the nightstand, morning light across the floor

LIGHT

soft midday daylight from the window, flat and even, no shadows — normal light, not staged

IMPERFECTIONS

one subtle fingerprint smudge on the mirror, slight mirror tilt bending the floor line, phone-camera rendering

FORMAT

9:16 vertical, neutral phone grade

NEGATIVE

dirty mirror, mirror anomalies, unmirrored text, messy background, clutter, studio lighting, cinematic color grading, professional posing, beauty filter, skin smoothing, plastic skin, airbrushed, oversaturated, perfectly symmetrical face, magazine polish, bad anatomy, deformed hands, extra fingers, warped phone, watermark, text, logo, 3D render, cartoon

DIRECTOR'S NOTE

Normal daylight, a clean mirror, one smudge — the quietest prompt in the pack and the easiest to nail on the first try. The satin does the styling work.

The character template.

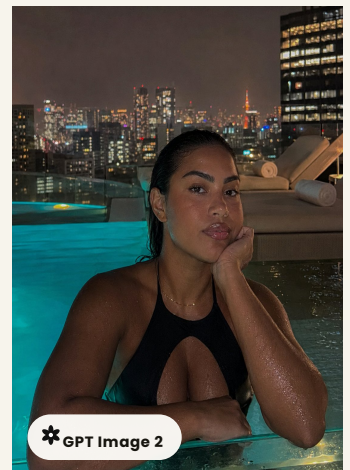

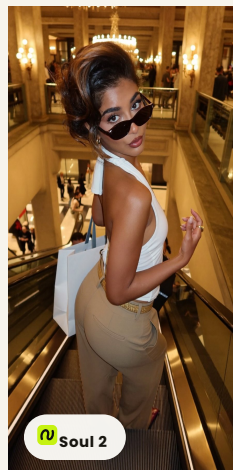

Every prompt starts with a person block. Replace the **[highlighted]** variables below and the same eight scenes work for ANY character. The one rule: always keep **one imperfection** — the beauty mark, the scar through the brow, the tan lines. It's what forces the model to render a person instead of a mannequin.

PERSON — FILL-IN TEMPLATE

" **[AGE]** -year-old **[HERITAGE / HAIR COLOR]** woman, **[FACE SHAPE]** face, **[EYE SHAPE + COLOR]** eyes, **[BROWS]**, **[NOSE]** nose, **[LIPS]** lips, **[ONE IMPERFECTION — beauty mark / scar through brow / tooth gap / freckles]**, **[SKIN TONE + summer detail, e.g. tan lines]**, **[BODY TYPE]** figure; hair styled **[PER SCENE]** "

THE FOUR RULES THAT MAKE THESE PROMPTS WORK

- 1 • **The light is the realism.** Flash, chandeliers, pool glow, golden hour — named sources, never "studio".
- 2 • **Environments stay curated.** Imperfection lives in the camera and the skin, never in mess.
- 3 • **Emotions are specific.** "Laughing hard, coupe raised" beats "smiling", every time.
- 4 • **One flaw per face.** The beauty mark and tan lines are what make her real.

More packs, more characters, more scenes —
